Governor appoints Jim Lynner to take over public office

Rachel Gehner

4 p.m. to 8 p.m. 4 p.m. to 7 p.m.

There is a new face behind the desk in the county clerk's office.

Lynner, former member of the Missouri State Highways and Parks System and current supervisor for the Division of Local Roads, was appointed for the remainder of Ezell's term. Lynner, elected in July by the Board of Commissioners, has been working for the county for more than 12 years. Lynner came to the job after being appointed by the Board of Commissioners. Lynner said District 2 has been his focus for the past few years and said that he has been looking forward to this opportunity because it will allow him to work with the community more closely. Lynner added that he is excited to be able to work on a variety of projects and to be able to make a difference in the community.
