**Horoscopes**

**Oct. 9 to 15**

**ARIES** (March 21 to April 19): Get to the root of the problem. The current ruling planet is Mars, and you are a doer. That said, you must be ready to act. It’s a good time to consider your next move. Don’t be afraid to work over others.

**TAURUS** (April 20 to May 20): People won’t speak their mind—not that you want them to. Those who are in the know will give you an idea or two, but expect the information to be in an indirect form.

**GEMINI** (May 21 to June 20): Your worries won’t go away, either. You need to face reality, but it’s not easy. There is much you can do for comfort.

**CANCER** (June 21 to July 22): You must be careful about what you say and do. You are in a vulnerable position, and it’s important to think before you act.

**LEO** (July 23 to Aug. 21): You have an opportunity to make a decision, but it won’t be easy. You must choose between two paths, and you’ll need to consider the consequences.

**Virgo** (Aug. 22 to Sept. 22): Expect a challenging time, but you’ll be able to cope. You have a strong sense of purpose, and you’ll be able to achieve your goals.

**LIBRA** (Sept. 23 to Oct. 22): You may be tempted to take on too much, but you must be careful. You need to prioritize your tasks, and you must learn to say no.

**SCORPIO** (Oct. 23 to Nov. 21): You need to be careful about your finances. You may be tempted to spend money, but you must be careful and avoid taking risks.

**SAGITTARIUS** (Nov. 22 to Dec. 21): You may have opportunities for travel, but you must be careful about your finances. You need to be careful about your investments, and you must avoid taking risks.

**Capricorn** (Dec. 22 to Jan. 19): You need to be careful about your health. You may be tempted to neglect your health, but you must be careful and avoid taking risks.

**Aquarius** (Jan. 20 to Feb. 18): You need to be careful about your relationships. You may be tempted to be too open, but you must be careful and avoid taking risks.

**Pisces** (Feb. 19 to March 20): You need to be careful about your health. You may be tempted to neglect your health, but you must be careful and avoid taking risks.
