Omicron Delta Kappa is constructing the Presidential Garden to honor University presidents and is including flowers such as peonies, irises and daylilies. 

Amid the falling leaves, flowers are in bloom on the Quad during soccer games.

"We are planning on doing it as long as the weather permits," he said. "We still have a ways to go."

"For the donor it is an investment, an investment in the students going by."

"I think that [United Way] does a lot of good in this community," he said. "We want to sort of shine a light on the work that they do and the impact it has.

"I'm sure they will be dedicated to past Truman presidents."

"We got rid of some bushes and tillled the land, and they pretty much took over from there."

Omicron Delta Kappa is constructing the Presidential Garden to honor University presidents and is including flowers such as peonies, irises and daylilies.

"There are agencies that simply couldn't exist if they didn't have the United Way funding," John Rowe
