John Szeugenovski  

CAMSU is playing its best basketball this season. We're not saying we're going to win to create some breathing room, but each game is different."

"When we played them earlier in the season, we did have a chance to control the game," she said. "We do have a chance to control the game. We still have to shoot the ball well," she said. "Right now, we're doing well on free throws."

The Jennies are tied for second place holiday season. You wouldn't pay rent until August leases. Call 216-1179 for more information.

"When we play on our home court, it really gives us an edge," Head coach John Sloop said. "When weplayed them earlier in the season, we did have a chance to control the game," she said. "We do have a chance to control the game. We still have to shoot the ball well," she said. "Right now, we're doing well on free throws."
