Tale of Bulgarian students calls into question meaning of America

Truman's ties with Boeing are troubling

With change comes inevitable variable of stalled progress

Repetitive tests is a sign of professors' laziness

Replicating tests is a sign of professors' laziness. Some professors seem to lack academic integrity and they play a major role in helping students maneuver as far away as possible from it. In the words of Professor Pranjama:

"...[E]ach individual realized he or she had never even seen the example on which he was ready to offer. Stating what the American was isn't certain anywhere. We read about the dreamy but the nightmarish as well. Are we going to tell them they're wrong?..."
