Kirksville resident publishes book about fleeing with family from Iran after suffering years of war, bedlam

Continued from Page 11

"My dad said OK," Radmanesh said. "So we finally got to have our own family and enjoy ourselves in a normal way."

"He also had to do a lot of paperwork that he wouldn't be able to do again," Radmanesh said. "He could only get to the States by dropping his brother off in Switzerland and then came back to the United States on his own."

"I was able to survive and be in the United States," Radmanesh said. "But here I am."
