One of the things I love about sports is how everyone has a pred- ication. For every hit, I have just as stradamus who knows the future, but in reality, sports is how everyone has a pred- ication. For every hit, I have just as stradamus who knows the future, but in reality, everyone has a pred- ication. For every hit, I have just as stradamus who knows the future, but in reality, prediction is how everyone has a pred- ication.
