Senior wide receiver Vanessa Emokpae's second touchdown might have been the play that decided the fate of Saturday's game against Missouri Western.

Missouri Western failed to come back from a 21-point deficit late in the fourth quarter to stop Emokpae from breaking Missouri Western's all-time single-season record of 22 touchdowns. Emokpae finished the game with six receptions and 170 yards.

"The [defensive backs] weren't really covering me, and in the end zone, they gave me a lot of room to work with," Emokpae said. "Some of my best catches happened in the last few weeks."

Emokpae isn't satisfied with just breaking Missouri Western's record, though. She said her next goal is to break the University of North Alabama's single-season record with 25 touchdowns.

"I'm going to try to keep working hard every day," Emokpae said. "I'm going to try to catch as many passes as I can and keep breaking records."
