Campus parking might see expansion

BY JULIA HANSEN

The Board of Governors approved the proposal to purchase lot H north for $1.5 million, providing parking will be available to students and faculty on the north end of campus. The lot north for Barrett Hall will expand the current one, and the Board of Governors approved the proposal to purchase lot B for $1.5 million, providing parking will be available to students and faculty on the south end of campus.

The usage of the lot is.

an idea or kind of a snapshot of what complaints we've been having about of a great thing because most all ect be under contract by 2010, Missouri Department of Trans-

Pink.

"The expansion should be student parking too," Chetney Muller said.

"I think it's an opportunity, but MODOT certainly didn't have to choose this project," Montana Roberts, junior of Kansas City

"The survey kept a tally of the num-

There were 11 zones that were at the north end of the campus, and the city of Kirksville currently had agreements with the University of Missouri and the city of Kirksville.

Theķredit Kirksville Regional Committee in the fall of 2006, the department of communication, said she ar-

Assistant City Manager Kris McKim gave a presenta-

Student Senate in Brief

• Members of the Student Senate Finance Committee reviewed and approved the supplemental budget for the coming academic year. The budget, in total, is $14,298.38, which is $4,000 more than the original budget.

• Student Senate allocated $1,000 to the Kirksville Regional Airport for renovations. The airport is currently in the process of expanding and renovating the facility.

• A motion was made to allocate $1,000 to the Kirksville Museum for the purchase of new exhibits. The motion passed unanimously. The museum has been planning for new exhibits for the past year and has been working closely with the Kirksville Regional Airport to ensure that the exhibits will be ready for the summer months.

• The Student Senate also discussed the possibility of implementing a new parking policy on campus. This policy would allow students to reserve parking spaces for their vehicles, which would help alleviate the current parking shortage on campus.
