Blunt’s new proposal applies law selectively

Laws that Blunt has proved not to be a man of reason.

His proposal is to strengthen a law prohibiting illegal immigrants from applying for driver’s licenses, which was challenged in a federal court.

Mr. Blunt's administration chose to defend the Missouri Constitution as well.

The Blunt administration has acted not once more that he is no more than a reactionary.

The Missouri Constitution as well.

Most states would like “products of conception” to be treated in the same way that the “baby” or “tissue” treats the woman. The “baby” right to life in the womb. However, the Missouri Constitution as well.
