Student Senate President Leigh Wickell said the low attendance at Friday’s meeting shows the need for Student Senate to improve organization and make Student Senate more inviting to potential members.

“We had a lot of people come out today,” Wickell said. “But we definitely need to improve our turnout.”

The Student Senate met at 3 p.m. on Friday, but only eight members attended. Wickell said the Student Senate passed a resolution to improve organization by making Student Senate meetings more inviting.

“Student Senate can be one of the most important organizations on campus,” Wickell said. “But we need to make it more inviting and improve our organization.”

The resolution was passed by the full Student Senate and will be presented to the Board of Governors for approval.
