Editorial Policy

The Index welcomes letters to the editor from the University community. Letters should be no longer than 300 words and must include your name, year in school, major and contact information. Letters that are not typewritten or include profanity or are not signed will not be published. The editor reserves the right to edit letters for length and clarity.

Letter to the Editor

Students need to lead change for budget reform

It's easy to blame former Gov. Bob perfor-

some new system to help lower-income

the administration to maintain an open

support of this course of action.

It's not too late to make a difference and

Jack Nicholl

This is our time to stand boldly and

Are you planning to watch the Inauguration coverage?
