As Joe Aherne took the last 25 yards of the 100-yard freestyle, junior Kate Aherne looked up to see that between her and a fourth-place finisher from the University of Northern Iowa was 0.15 of a second. She could do it. And she did. After coming off the wall for the 50-yard freestyle, the top 10 swimmers in the nation, 20 in total, returned with top-10 finishes.

In the 100-yard freestyle, Aherne thought she had the race won, but with one stroke to go, the swimmer from the University of Northern Iowa was back in the pool to race the 50-yard freestyle. Aherne swam against Eunate Garro, who received second place in the race. Aherne won the 100-yard freestyle with a time of 53.20. She also won the 50-yard freestyle with a time of 23.82.
