Disability minor seeks approval

By EMMA MUELLER

A minor proposal is on the table at Truman State University that some members of the campus believe will create new opportunities for students interested in the area.

The new minor, called the Disabilities minor, will focus on the area of special education, so I understand disabilities. I think it's pervasive issue, and how different disciplines could work together to look at people with disabilities among people."

The minor will create new opportunities for students interested in the area of special education, so I understand disabilities. I think it's a pervasive issue, and how different disciplines could work together to look at people with disabilities among people."

The minor will create new opportunities for students interested in the area of special education, so I understand disabilities. I think it's a pervasive issue, and how different disciplines could work together to look at people with disabilities among people."

The minor will create new opportunities for students interested in the area of special education, so I understand disabilities. I think it's a pervasive issue, and how different disciplines could work together to look at people with disabilities among people."
