The football team continued to compete against ranked opponents but was unable to come away with a win in the Oct. 18 game at Pittsburg State University.

The Bulldogs fell to 4-5, 2-3 in the MIAA, 2-3 overall since tying for eighth in Div. II.

MIAA and tied for eighth in turnover ratio, the Bulldogs have a plus-four times. Altogether, is doing all the work — the offense, defensively, with only four turnovers this season. Compared to only two turnovers and six fumble recoveries, Truman has 14 takeaways this season, Nourse said.

"We've got chances to beat anybody," said senior quarterback David Ticich, who started his second game of the season.

"The offense is winning the turnover battle, and the defense has been doing a great job protecting the ball — they aren't turning it over," Ticich said.

"Our running backs are rarely turn over the ball, and they're doing a good job of getting the ball to the receivers," Ticich said.

"They're not making mistakes, they're just putting the ball in the right place," Ticich said.

"The passing game was also positive, with 203 yards and two touchdowns from Ticich," said Head coach Shannon Currier.

"We talk about ball security and they're doing a good job on that," Currier said.
