Senior right side hitter Melissa Reuck notched 43 kills during Washburn University’s weekend sweep of Emporia State University and Missouri State University on Saturday. The Bulldogs followed up their Tuesday win against Washburn University with a 3-0 sweep of Emporia State University on Saturday and a 3-1 victory over Missouri State University on Sunday. Reuck was named the player of the game for both matches.

“Reuck is a strong player and a valuable leader on the team,” said coach Mark Schroeder. “It is definitely played as a team in a great win.”

Senior middle hitter Katie Reuck had 10 kills and 15 digs in the victory over Emporia State University. „”I didn’t even let the words ‘we are going to be back on top’ fill my head,” Reuck said. “I just said, ‘I’m going to be back on top. We are going to be number one.'”

On Saturday, Reuck scored two goals on Washburn’s team that are expected to win games this season. She has shown how to call for the ball, and Reuck also has been aggressive in getting shots on goal and keeping the ball away from the opponents. In that game against Washburn, Reuck scored two goals, and she has done an exceptional job of limiting the ball to only one goal in all of her games.

On Sunday, Reuck scored four goals in the game against Missouri State University. She led the team with 10 kills and 15 digs. “We are funded through FAC, and the club team is unable to play it into our midfield,” Reuck said. “We are going to be number one.”

Senior outside hitter Jenna Novelli scored four of the team’s 16 total goals. She had 10 kills and 15 digs. „”I didn’t even let the words ‘we are going to be back on top’ fill my head,” Novelli said. “I just said, ‘I’m going to be back on top. We are going to be number one.'”

Senior defensive specialist Jessica Weigert had seven goals. This week, she scored four goals in the game against Washburn. „”I didn’t really want to run for the flag. I just wanted to play and enjoy the sport, meet new people and have fun. It’s relaxed. People are usually friendly,” Weigert said. “We are going to be number one.”

The offense has been a team in a great win. “We are going to be number one,” Reuck said. “We have a GAA of 0.43 goals per game, and that’s really good soccer. It’s just really good soccer.”

The team’s next two and a half weeks will be important for the defense. “We have a lot of talent on the team, but we need to work on our communication on court,” Reuck said. “We need to remember that we are number one. We need to remember that we are number one.”

Reuck also attributes her success to her coach. “Coach has helped me with the sport,” Reuck said. “He has helped me with more than just soccer. He has helped me with my academics, my career and my personal life.”

Reuck said the team’s success starts with the coaches. “It’s a huge team effort, and it’s not just one person’s job,” Reuck said. “The coaches are very helpful, and they have helped us in every game this season.”

The coaches, who have already been named to FAC, have shown that the Bulldogs are on the rise. “The coaches have helped us in every game this season,” Reuck said. “They have been very helpful in our development.”
