On-Campus Meal Plan

Selecting Off-Campus Meal Plan Purchase Option

By BLAISE HART-SCHMIDT

The Board of Governors passed a revised version of the on-campus meal plan after several months of work and debate.

According to the updated policy, students living off-campus may purchase an on-campus meal plan for the first time.

The Board of Governors is responsible for the administration of the University and the students, and she hopes it will work out.

The Board of Governors views the University as an asset to the community and is committed to providing high-quality education and research.

The Board of Governors appreciates the students' involvement in the decision-making process and will consider any changes to the policy with a specific advisory group.

The Board of Governors will continue to monitor this policy and consider any changes to it as they may be needed.
