Parents want tailgating at University

College football tailgaters and parking lots across the country are filled with alcohol on game days. It’s a tradition, catch up with friends and drink on barbecues. Kirksville is not one of them. Parents of football players, are trying to change tailgating on game days as fans cheer on their team, catch up with friends and chow down on barbecue. Stokes Stadium is not one of them.

Swine flu cases increase on campus

BY TAWANDA KANHEMA

It’s six months after the outbreak of the H1N1 virus in the U.S. and university campuses across the country are still seeing cases. The flu is still circulating with more and more reports of flu cases on campus. Kirksville is not one of them.
