Truman students will have an opportunity to complete the 23rd U.S. Census due to a partnership between the Truman Institute and the Missouri Department of Higher Education.

Truman students who have not yet completed the census will have the opportunity to complete the survey during their on-campus sessions in the fall of 2010.

The Missouri Department of Higher Education is offering students an opportunity to complete the census through their fall semester program.

In previous years, students have had the opportunity to complete the census during their fall semester program.

The students who have completed the census will be entered into a drawing for a chance to win a prize.

Young and many other institutions offer various kinds of leadership programs, and it has been a topic discussed at Truman for several years.
