Tiger Woods abuses hero and role model status

Tiger Woods can be a negative role model for millions of people around the world. His actions have caused many people to lose respect for him as a celebrity and as a golfer. As a result, his public image has been tarnished, and his career has suffered. It is important to remember that Tiger Woods is not the only celebrity to make mistakes, and we should not judge him harshly for his actions. Instead, we should focus on the positive aspects of his career and recognize his accomplishments as a golfer.

Holidays justice worth fighting for

The holiday season is a time of year when many people come together to celebrate with family and friends. It is a time when we reflect on the past year and look forward to the new year. However, the holiday season can also be a time of hardship for many people. There are many employees who work during Christmas Eve or Christmas Day to meet the high demand for goods and services. Many of these employees are low-income workers who are forced to work for long hours without pay. This can be a difficult time for these employees, and it is important to recognize their hard work and the sacrifices they make.
