A Truman student was hit by a car in a hit-and-run early Wednesday morning at the intersection of Marion and Main Street.

Junior Matt Ziegler was hit by a car while he was walking across the pavement to his friend’s house at 6:00 a.m. on Wednesday. He said he was walking across the pavement to get to his friend’s house because it was a short cut.

“I feel like right there and then I didn’t know what was happening and the next thing I knew I was on the pavement,” Ziegler said.

A spokesperson from the Kirksville Police Department said that in Ziegler’s case, police were fortunate enough to get a video of the accident, because it happened on the corner of Marion and Il-136.

“We may have one or two a year,” Farnsworth said. “The majority have no injuries on them. … But it is more than once.”
