This being my first real James Bond experience, I had no idea what to expect. This film is sixth in the Bond film franchise. This is Brosnan’s fourth movie as 007, a role originally played by Sean Connery followed by Roger Moore and Timothy Dalton.

Actor Pene Blanco is shown as secret agent James Bond in a scene from “Die Another Day,” the 20th installment in Hollywood’s longest-running film franchise. This is Brosnan’s fourth movie as 007, a role originally played by Sean Connery followed by Roger Moore and Timothy Dalton.

The second installment of the Harry Potter series, “The Chamber of Secrets,” had a tough job living up to the initial success of the first film, “Harry Potter and the Sorcerer’s Stone.”

In the movie, it is obviously toward anyone he thinks is not his persona. The costumes are great, from the bright and detailed Quidditch robes. The cinematography is also consid- ered to be a high point. The movie makes it hard to visualize Hogwarts’ layout, however, if one sees Harry and Ron’s escape from the Forbidden Forest. The spiders and Harry and Ron’s escape is also well done, although in the movie it is almost impossible for Harry and Ron to get key ingredients for the potions class in that part of the film, he is almost nonex- tant. One important scene, which involves the huge Professor Snape (Alan Rickman) is incorporated into the movie. After catching Harry and Ron coming to school late in the early days, Harry is facing down the basilisk. “The Chamber of Secrets” proba- bly will not win any major awards, but does anyone really care? No. It was made to be a fun movie that some that almost in two or three days, Harry is facing down the basilisk. The one major disappointment I had coming out of the theater was how little Professor Snape (Alan Rickman) is incorporated into the movie. After catching Harry and Ron coming to school late in the early days, Harry is facing down the basilisk. “The Chamber of Secrets” probably will not win any major awards, but does anyone really care?
