NATIONAL

Joe Gentry, the associate director of athletics for the University of Indianapolis, said that in the last month, the Greyhounds have placed second of 18 teams and third of 28 in the last two tournaments of the year.

“Schutter said the team doesn’t have any certain team goals for the regional meet and just wants the team to get through the regional meet and get ready for next year.”

“Everyone’s feeling pretty good,” Westhoff said. “We’ll be all right going into those last two tournaments.”

While the team’s playoff prospects could change in the next few games, they’re ready for any change in the standings.

“Our plan is getting better every day and trying to clinch a spot in the conference tournament and, then we’ll go from there,” Schutter said.

“Everyone’s doing everything they can to give our oppor-
tunity.”

“Hopefully, regionally will be a good finish and go to nationals,” Schutter said. “We just want to go out and compete hard. If we do well, we do well. If we don’t, we’ll just come back, work hard and get ready for next year.”

In the 13th year of the team’s coach, Schutter said the squad is getting more interest and home-
