Lacrosse ends with mixed results

The Truman State University Ultimate Frisbee team concluded its season in success this past weekend in Kansas City, wrapping up the regional competition with a record of 3-1.

The team advanced to the regional competition, the club participated in sectionals at the University of Kansas (Lawrence), 15-10, in Saturday's pool play. The Truman squad came away with a victory Saturday over the Kansas State University Wildcats (Manhattan), 13-9, and a tie against the University of Missouri-Kansas City Kangaroos (Kansas City), 6-6. The team lost to the University of Missouri (Columbia), 15-10, on Sunday in the final round of the regional competition.

The Truman State University Ultimate Frisbee team ended its season ranked 12th in the nation.

The team was seeded 12th in the regional competition and defeated the 5th ranked Mizzou Tigers, 3-1, in the first round and then defeated the 11th ranked Central Missouri State Bears, 8-4, in the second round.

The team wrapped up their seasons, each with varying degrees of success.

Although the women had an impressive run, they struggled to win games and had issues with team unity and dedication.

The men toiled through a more difficult one. The team lost to the Sooners, 13-9 and the Bears, 15-10, in Saturday’s pool play. The Truman State University Ultimate Frisbee team lost to the University of Oklahoma Sooners, 13-9, and the University of Central Missouri Bears, 15-10, in Saturday’s pool play.

Unfortunately, Truman went 1-3 in the two-day competition, the club participated in sectionals at the University of Kansas (Lawrence), 15-10, in Saturday’s pool play. The Truman squad came away with a victory Saturday over the Kansas State University Wildcats (Manhattan), 13-9, and a tie against the University of Missouri-Kansas City Kangaroos (Kansas City), 6-6.

The team lost to the University of Missouri (Columbia), 15-10, on Sunday in the final round of the regional competition.

As a graduating senior, Ozkal said he hopes the Truman State University Ultimate Frisbee team can improve greatly next year.

“We’ll be back next season, and we’ll have some freshmen coming in,” he said. “Kenny’s leaving, but I think Denis McCracken will be a good leader for us, and we’ll be fine.”

“We made great strides from tournament to tournament,” Ozkal said. “We played competitively, and we weren’t blown away by the competition.

As a graduating senior, Ozkal said he hopes the team will continue to grow and get stronger.

Senior Mike Lovinguth said the team members met the goals they set at the beginning of the season.

“We’ve done a lot more drilling in practices,” Lovinguth said.

“And we got a lot of respect from other teams in our section.”

Lovinguth said a long-term goal for the team is to host a regular-season home game.

Sophomore Alan Heincker and freshman Christina Winkler were invited to the Houston Texans’ training camp as a post-season tryout.

Students interested in the program should contact Jim Banks at 660-755-2025.
