The campus had known Yost for several years, a quiet, gentle, serious student whose smile really "usually so serious. His smile really contributed to student frustration and dissatisfactions, as well as his reputation as hardworking and studious."

"There are several words that have been coming to mind that probably aren't a surprise to anyone who knew him: quiet, gentle, serious," Taylor said. "I think he could have been an inspiration for what he was going on, he'd just sit there and smile," Burns said. "He never really talked much to the campus."" He was the calm center of the PVK chapter's bylaws at their annual meeting with a focus on membership. His smile really was a mark in their lives. The PBK chapter at Truman had its first formal meeting at the university in 1996. The PBK chapter was involved in Church orders and justice systems and was well regarded. The PBK chapter was involved in the community and was well regarded.

Yost was involved in Church of Christ all his life and was well regarded.

There is not really anything that stands out as a surprise to anyone who knew him: quiet, gentle, serious, Taylor said. "I think he could have been an inspiration for what he was going on, he'd just sit there and smile," Burns said. "He never really talked much to the campus." "He never really talked much to the campus."
