Four dead after University of Arizona

TUCSON, Arizona — A gun
man opened fire in a class at the
University of Arizona naming school Minniti, sending terrified
students running toward the doors in panic. Authorities said four peo-
ple, including two professors and the attacker, were killed.

The suspect apparently comitted
violence outside, Police Chief Richard

Police said the shooter was
identified as a former student, and the
classroom was not related to the
incident. The shooter was arrested
shortly after the shooting.

Four female professors were
killed in the shooting, and their
colleagues said they were shocked.

The investigation is ongoing, and
authorities have not yet released
any information about the shooter.

Man builds massive pumpkin thrower

GIRARDIENHEIM (AP) — Sergio
Saenz has built a pumpkin
thrower that can toss pumpkins up to
1,500 feet. Saenz said he
built the thrower to
celebrate the upcoming
day of the Dia de los
Muertos festival.

"We built this to
honour the dead," Saenz said.

Saenz said he uses the
thrower to toss pumpkins over
the castle battlements in the
woods over the castle battlements
last month by tossing pumpkins into
the woods over the castle battlements

"People really get excited about
tossing pumpkins," said Saenz.

Saenz said he wants to
continue building pumpkin
throwers and hopes to help
resolve the equipment
shortages in the area.

LUSAKA, Zambia (AP) — A car
bomb exploded near a school killed
two police officers and injured
19 others just before President
Vasco Africo's visit to Zambia.

"That's the whole thing. It's
our job to protect the president,"
said one of the injured officers.

The police said they had
received no information about
the explosion and were looking
into the possibility of a terrorist
attack.

The explosion occurred near a
school where President Africo was
visiting. Africo was not injured
in the explosion.

Several people were
injured in the explosion,
including a woman who
was taken to the hospital.

The police said they
were investigating the cause of
the explosion and were looking
into the possibility of a terrorist
attack.

The explosion was the
latest in a series of attacks on
President Africo.

A man bought a pumpkin
thrower from a local
farmer and used it to toss
pumpkins over the castle
battlements.

The police said they
had no information about
the case and were looking
into the possibility of a terrorist
attack.
