**Los Angeles (AP) — Movies- goers might want to phone ahead for an appointment to get into “Barbershop.”** The word-of-mouth ensemble comedy starring Ice Cube as a reluctant proprietor of his late father’s business debuted in first place at the box office with $21 million over the weekend, according to studio estimates Sunday. “The year’s biggest sleeper hit,” said Big Fat Greek Wedding,” remained in the No. 2 spot with $15 million, pushing it to $105.7 million and becoming the 15th movie of 2002 to cross the $100 million mark. In its first weekend of fairly wide release, Robin Williams’ quirkily hilarious “One Hour Photo” came in third with $17.5 million. The weekend’s other new wide release, Jason Lee and Tim Genes’ crime comedy “Stealing Harvard,” premiered at No. 4 with $6.3 million, finishing slightly ahead of last weekend’s top film, “Swimfan,” which grossed $5.1 million. Overall box office revenues rose for the first time in nearly two months. The top 12 movies took in an estimated $72 million, up 18 percent from the same weekend last year, although that was a relatively slow period in the aftermath of the Sept. 11 terrorist attacks. “Barbershop” played in 1,605 theaters and averaged $13,084 a screen, for an appointment to get into “Barbershop.” Director Tim Story and Vicky Myara attend the premiere of the film “Barbershop” on Aug. 26, 2002, in Hollywood, Calif. ‘Barbershop’ sweeps the box office
