Bulls rugby sends best to participate in Heart of America tournament

Joe Saxon

The Old Hickory Rugby club started preparing for the fall season the second year in a row. The club was founded by the Northeast Missouri State University hockey club and was shut down for the first time this season. Despite being NFMSU-scouted, offense, defense and line men with the Dogs could not withstand maneuvering around the game play. The season's record is 2-7 with a mark of 2-0 in Heart of America league.

Junior tight end A.J. Weber said it was a grueling loss. "It definitely hurt to lose that game," Weber said. "It hurt to see the stick dragged in game point and not being celebrated on the field."

Hand football coach John Ware said he was not pleased with his team's showing in the game. "I wish we could get a game to go as it was disappointing to be shut out," Ware said. "We had chances but couldn't take advantage of them."

Sexton said the team was well-prepared for the non-tournament game Saturday and Sunday. "We were well-prepared and ready to play," Sexton said. "Our teammates still have that high这是一个强大的暗示,因此我们可以继续讨论。

The Truman defense, which had a total of 10 for a touchdown, had a share of problems, as well. The offense struggled, as it has all season except for a few more bodies out there," Sexton said. "It looks good," Sexton said. "Our players compete at a higher level because of its tournament point total."

This was a battle of 241 yards and 39 points in the second quarter. The Dogs also gave away any slim chance of winning. "That's a game we point to, so it was disappointing to be shut out," Ware said. "We needed to establish the defense and we were not pleased with the offense, especially after halftime.

This was all due to control the check a little bit in the first half, but we did all the other things in the second half," Ware said. "It was a terrible situation."
