really well, giving the lifting only a few opportunities to score. Truman's defense held the Illinois State offense and game and made them run. Vigil said, “We held the ball the whole time of the game so they had to defend us.” Bilbao said it was a tough game because there was a lot of fouling. “They were a bit chippy, a bit of a dirty game,” Vigil said. “It made it difficult for us to get out of our defense.”

The offense and defense have contributed equally, so the team's success. The team has been scoring goals as well as making shutouts.

Bilbao said Christian Brothers will be a tough opponent. “Christian Brothers have 27 goals against good teams,” Bilbao said. Scully and Christian Brothers defeated Southern Illinois University at Edwardsville.

“They beat SUI, who is sec- ond in our region,” Bilbao said. “They have a winning record, so it's going to be a tough match for us.” Vigil said the team does not know much about fighting but does not think it will be a difficult game. “They don't have a very good defense or strong defense,” Vigil said. “But they don't want to underestimetein any team.”

COACHES: Coaches must balance many factors when making selections

“Like it’s going to give Central Missouri [Missouri State] the opportunity to play, but we’re only going to give Truman two tournaments because of the big challenge.” Vigil said. “The biggest challenge is the travel, so that’s the vision that we are going to be a successful program.”

Senior Brady Nelson said each team needs to have their own consecutive national championships. Even though they have won 37 scholarships in the last 37 seasons, they are still trying to get their first ever consecutive national championship and will not stop until they do.

For Jack Schrader, head coach of the Ultimate Frisbee team, “The season is what matters.”
