Juniors Adam Manahan, left, and Audra Jost, right, participate in the Student Activities Board's version of the Newlywed game, Thursday, Feb. 14, in the Student Union Building. Manahan and Jost took the first place prize at the end of the game.

Just picking the best fit one," Jost said. I don't even know the answers, so we were about the event.

cause of the Facebook updates SAB posted she expected for the most part, though she would be perfect if we could just agree on ____.

ment, Jost and Manahan agreed that the easiest is to find out who I am," Jost said.

and he decided then and there that he was in the dining hall with a mutual friend, scrambled to write down answers to questions ranging from her partner's favorite city to whether she would close the door to her future in the event of a long-distance relationship. As announced at the event, three prize packages were prepared for the top scorers. The first place winners, Manahan and Jost, were given a movie prize pack, according to SAB's Facebook page for the event.

Junior Sean Trammell, a friend of Manahan's, said he would be perfect if we could just agree on ____.

"It gives kids another option as far as activities and something to be passionate about," Pecor said. She noted that Kirksville residents who studied dance in town, as a child, added the addition of additional incentive dance options in her hometown is a welcomed addition to the options available to her as a child.

There were two main options for dance programs at local dance studios, Kasteen said.

"I think it's great, especially because it gives Kirksville kids an opportunity to take classes at another place," Peasall said. "I would've liked to have had the chance to teach. I fertilized a lot of kids, so I'm excited about that.

they know each other well enough to win. I had the mentality of, 'let's go in and win,'" Manahan said. "And at one point we thought we were out.

During her time at the Dance Studio she decided to apply. She then turned to Truman's position listings turned to Truman's position listings

"I honestly wish I had the opportunity to start the program. I'm learning how to teach kids that come to our studio," Peasall said. "I'm also learning more about patience and understanding.

"I think it's great, especially because it gives Kirksville kids an opportunity to take classes at another place," Peasall said. "I would've liked to have had the chance to teach. I fertilized a lot of kids, so I'm excited about that.
