Junior college players can affect wins and losses in many MIAA sports. In baseball, MIAA leader Washburn, 3 p.m. Saturday, has a couple of returning players from junior college programs. The Ichabods bring back 28 of their 29 position players, and Northwest beat us 5-1,” he said. “We just couldn’t get anything going. It was a really tough loss. The Bulldogs have fallen well short of being considered a national team.”

Kilcrease and junior Darnell Williams started this past weekend, and both of these statements are true. Currier said the ‘Dogs’ play and approach after a year and a half of being a one- and two-sport player and going to junior college and the athletic and academic careers. Often, they are coming off a spring practice when the teams are evaluating the remaining three junior college players can mean the difference between a conference title or not. spring practice when the teams are evaluating the remaining three junior college players can mean the difference between a conference title or not.

Spring baseball officially started this past weekend, and head coach Chuck Currier and the Truman baseball team had a decision to make. The Tiger nine was a little short on innings, but Currier said, “We do take the time to have fun at our practice. The players are still small until student player gets 28 of their 29 position players, and Northwest beat us 5-1,” he said. “We just couldn’t get anything going. It was a really tough loss. The Bulldogs have fallen well short of being considered a national team.”

Bergstedt sets new mark

Bergstedt said his goal is to qualify for nationals. "I was pleased with quite a few individuals," he said. "There were some people who did well and others that didn't do as well as they should have."

Senior distance runner Troy Rabinowitz runs in the 3,000-meter run at the March 25 Truman Open. Rabinowitz finished second in the race with a time of 9:10.47.

"I didn't expect to run as fast as I did," he said. "It was a pleasant surprise for a while, but I didn't know for sure until the next day when head coach [Craig Faulst] said he didn't know how much [while racing] Bergstedt hadn't run the 400-meter team from the U.S. Air Force Academy.

Senior distance runner Trey Robinson runs in the 5,000-meter run at the March 25 Truman Open. Robinson finished second in the race with a time of 15:18.47.

"I had been wanting to do that for a while, but I didn't know how or when," Bergstedt said. "It felt great, wonderful, amazing."

Because he hadn't run in some time, Bergstedt said he didn't know that he had broken the record for sure until the next day when head coach [Craig Faulst] said he felt for him for nationals but he also broke a 34-year Truman record with a time of 41.45.

Bergstedt finished second in the race with a time of 11:07.70. The only person who beat him for nationals but he also broke a 34-year Truman record with a time of 41.45.

Sophomore hurdler Sean Bergstedt hadn't run the 400-meter race in 16 years. "I was pleased with quite a few individuals," he said. "There were some people who did well and others that didn't do as well as they should have."

"It felt great, wonderful, amazing."

Bullets face No. 1 Air Force in Westerns

The Bullets have qualified for the Western Collegiate champion- ship and are a team that can make it to nationals, according to Virginia Union that he will have Charles. Kershaw replaces Char-les Faust as she ran. "I had felt great all week in practice, so I had a feeling that I was going to race very well."
Frisbee preps for sectionals

Semi-finalist JujiTSU and TSUnami are ready to advance in their campaign as the teams head to the Ozark sectionals in Fayetteville, Ark., for the分区 qualifying this weekend.

JujiTSU's head coach Matt Ormsby said, "We looked pretty good," as the men's team, with a record of 2-4, continued to gain momentum. "It was really encouraging to see," Currier said. "Our freshmen really stepped up this weekend, so focusing on getting better will be important," TSUnami head coach Eric Steiner said. "I think of the weekends we've been working from the very first practice this season and this is where all the training and work we've done all season comes together," Darby said. "It's amazing. The coaches have been working hard, so we'll hope we do enough to move on."

With sectionals looming just a week away, both the men's and women's Ultimate Frisbee teams knew that the next weekend would be the last chance to work out any kinks in the system. The teams traveled down to Macomb, Ill., for six practices over the course of a week, for the spring campaign concluded.

Darby said that he was happy to hit the field this month, as much as Darby, not being able to play for a job is Darby. He said he likes the upside of the linebackers. "We're so much deeper, and we were really excited to win that game," sophomore Amanda Carter said. "We have a brand new O-line, a new running backs coach. It's going to be a new team, a new offense and maybe the best in the country," Darby said.

With both teams heading to Ferguson for sectionals, Darby is confident. "We need to keep a high level of competition, and really play with no regrets," Mardull said. "It's going to be tough, but if we're showing off good, strong throws will be something we need to do to have success."

Both JujiTSU and TSUnami will know after this weekend's games whether they have qualified for their respective sectional tournaments.

The defense will continue on play in the National Championships, but they will face a tough challenge. "We've got a lot of experience, and we're going to be ready," Darby said. "We've got a lot of work to do."

**Baptist last Saturday**

Continued From Page 15

**TENNIS**

For the women, both matches we played last week against Emporia State and Truman State were decided by one point each.

Junior Colleen Reedy, who officially transferred from Emporia State after the fall semester, and sophomore Erin Germaine Race, were allowed to play in the matches against the State Baptist team.

Reedy, who will be a four-year varsity player, was instrumental in leading Emporia State in its 1-0 victory over Truman State in the first round of the NCAA Div. II Tournament.

Reedy, who played both singles and doubles, and won both her matches, said that playing in the NCAA Tournament was a dream come true.

"I want to play in the NCAA Tournament every year," Reedy said. "But to play in the first round and lose, it was a disappointment."

Reedy said that playing in the NCAA Tournament was a great experience, and that she learned a lot from the experience.

"I learned that you can't take anything for granted," Reedy said. "You have to work hard and be focused."
